V&M Co. Inc.

Is proud to announce the new **Flex-Trac** portable temporary roadway!

Tired of replacing those **broken** sheets of plywood?

The **flexible** solution to **driving** your vehicles and equipment in and out of job sites you thought were impossible!

Builds a continuous temporary roadway.

A **tough** resilient **polyethylene** product that will give you many years of use.

FEATURES:

- Takes the weatherman out of the job!
- Increase productivity!
- No ruts in the yard or job site to clean up!
- Portable!
- Hand holes for ease of use!
- Reuseable!
- Use on outriggers
- Mats are 48" wide x 96" long
- Color (Highly visible for drivers)
- Connectable!
- Memory (Goes back to original shape after use)
- Won't absorb water
- Won't rot
- Cleans Easily
- Tested by well drillers and backhoe operators on various sites.
